Welcome

The Oakhill College Parents and Friends Association would like to take this opportunity to welcome you and your family to the Oakhill College Community. Whether this is your first association with the College, or a continuing one, we greatly appreciate your support of the College by enrolling your son here.

The Association has been established with a Constitution that has three (3) stated objectives:

- To promote the aims and principles of Oakhill College;
- To raise funds for that purpose;
- To provide a forum in which members may deliberate on matters relating to the spiritual, educational and social welfare of the College Community.

While many of our annual activities are devoted to the second of these objectives, we are conscious of the need to provide for a variety of parent interests.

Meeting and Presentations

General Meetings are scheduled in the College Calendar throughout the year. At these meetings matters of interest or concern are raised and parents have the opportunity to connect with other parents and members of the college community. We also have guest speakers who usually attend the first P and F meeting of each term to inform us about issues of concern to high school parents and arrange fund-raising and social activities. The College is usually represented at all meetings by the Principal, Community Relations Officer and/or Bursar.

I invite and encourage you to attend as many of the meetings and events as possible. Each of these events needs an active team of parents and we welcome your active involvement and ideas.

Meetings are held during the year on WEDNESDAY nights commencing at 7.00pm in the Carmody Theatre.
