Colours Awards System @ Oakhill College

INTRODUCTION

Recognition of achievement, contribution and excellence is the most effective part of any welfare and discipline policy. The following are offered at Oakhill:

- A positive word
- Public recognition: in House Meetings, Homerooms, Assemblies; achievement in sport and cultural activities; premiership trophies and ribbons; State and National representation, etc...
- School Reports: Teacher and Homeroom Report comments should provide a summary of progress with positive comments on each student's social, sporting and academic development
- House Competition
- Level Awards
- Outside Awards: these include Music Board achievements, Duke of Edinburgh, Charity Collection, Science, Maths and Writing competitions, etc...
- Principal’s Morning Tea for outstanding service to the School

SCOPE

There are five categories in which Colours may be awarded:

- Academic
- Co-curricular
- College Leaders
- Service
- Sport

AIM OF A COLOURS AWARDS SYSTEM

The purpose of the Colours Award System is to recognise and reward excellence of performance and to enhance what already happens in academic, sporting, co-curricular and service activities. To preserve the integrity of this aim, it is essential that students see the award of Colours as being an achievement of distinguished and outstanding merit.

The emphasis is on an individual student’s achievement (albeit in a team or group activity), not a team or group achievement. Thus it is not expected that Colours would be awarded to every member of a team or group, even though that team or group may have achieved excellence. In such circumstances recognition would be given to those individuals within the team or group who made a significant contribution to the team or group outcome.

The awarding of Colours will also take into account aspects of the student’s behaviour, such as attitude, commitment, dedication, sportsmanship, etc. as well as the level of competition. While many of these awards will be automatic once the level of achievement has been reached, the Colours Recommendation Committee has absolute discretion in awarding Colours.
A student must reflect the school’s keystones of “Faith, Service and Community”, that is, if there are documented significant ongoing concerns about a student’s record of behaviour and attitude within the last 12 months, the Colours Recommendation Committee, in consultation with the Principal will rule on their eligibility.

An important aspect of the Colours Award System is that the activity being recognised must relate to school activities. Achievements outside the school can be taken into account in determining that a student has reached an appropriate standard, but Colours can only be awarded if the student has also represented the school at an appropriate level in related activities during that year. The matters pertaining to the awarding of Colours, particularly issues of nomination and selection should be treated confidentially. The criteria for selection will be available to all in the school community on the school website and intranet.

ELIGIBILITY

The criteria for the award of Colours shall be three-fold:

1. the exemplification of the worthiness of the individual as it is seen in their:
   - sound conduct,
   - citizenship and School spirit,
   - sense of fair play,
   - commitment and responsibility to the team, and
2. performance of an outstanding nature as provided for in the “Aim”
3. a minimum achievement of Level 3 in the College Level System

For Sport, Co-Curricular and Service Colours, eligible students must apply in writing using the ‘Application for Colours’ Form. Application forms are to be lodged with the Assistant Principal (Mission). Application forms are available from the school website, Assistant Principal (Pastoral), Assistant Principal (Mission), Academic Head of Performing Arts and Sportsmaster. Student application is not required for Academic Colours, as these Colours are determined by the Assistant Principal (Curriculum) based on full year academic results.

COLOURS RECOMMENDATIONS COMMITTEE

A meeting of a committee to be known as the “Colours Recommendation Committee” shall be convened by the Assistant Principal (Mission), as soon as possible after any given activity has been completed.

The committee will meet twice per term and additionally as required.

The composition of this Committee shall be:

1. Assistant Principal (Mission) (Chair);
2. Deputy principal and/or Assistant Principal (Curriculum) and/or Assistant Principal (Pastoral Care) and/or Academic Head of Performing Arts and/or Sportsmaster and/or Assistant Sportsmaster, as necessary;
3. T.I.C.s/Convenors of relevant Activity or Sport by invitation;
4. College Captains and Vice-Captains on rotation.
It shall be the responsibility of this committee to:

1. determine, on the basis of the foregoing criteria, the eligibility of each individual for a Colours Award;
2. make appropriate recommendations to the Principal, who shall have the final decision on the award of Colours; and
3. in exceptional circumstances, put forward an individual for the receipt of Colours when that individual has not met the stated criteria.

OPTIONS FOR COLOURS AWARDS

There shall be four levels of Colours Awards:

- COLOURS WITH HONOUR BADGE
- HONOURS COLOURS
- FULL COLOURS
- HALF COLOURS

Note:

1. Colours with Honour Badge: The Principal may award Colours with Honour Badge in exceptional circumstances where this is deemed warranted.
2. Honours Colours: awarded to recognise an outstanding achievement, or representing the College at State or National level.
3. To be awarded Full Colours and Half Colours, students must fulfil the criteria established for each Sport, Activity or Academic achievement indicated in this document.

DISPLAY OF COLOURS

Years 9-10

Years 9 and 10 students will be eligible for Half-Colours only.

Half Colours are recognised by embroidering the name of the activity and the year of the award in a plain font using capital letters approximately 0.5cm high, e.g.

RUGBY 2016

ACADEMIC 2015-2016

DRAMA 2016

SERVICE 2016

DEBATING 2016

The first award is placed immediately beneath the trimming on the lower blazer pocket so that any subsequent awards may be placed underneath.
Half Colours are embroidered with yellow thread.

For Colours with Honour badge the College crest of the blazer pocket will be embroidered in silver thread.

**Years 11-12**

Half Colours and Full Colours are recognised by embroidering the name the activity and the year of the award in a plain font using capital letters approximately 0.5cm high, e.g.

**RUGBY 2016**

**ACADEMIC 2015-2016**

**DRAMA 2016**

**SERVICE 2016**

**DEBATING 2016**

**COLLEGE CAPTAIN 2016**

The first award is placed immediately beneath the crest of the blazer pocket so that any subsequent awards may be placed underneath.

Honours Colours are embroidered with silver thread with a horizontal line in silver thread across the top of the pocket.

Full Colours are embroidered with blue thread.

Half Colours are embroidered with yellow thread.

For Colours with Honour badge the College crest of the blazer pocket will be embroidered in silver thread.

College Captains will receive Leadership Honours Colours and the other newly elected College Leaders will receive Full Colours. These will be the first awards immediately under the College Crest.

**PRESENTATION**

Presentations of Colours are made as close as possible to the actual earning of the award or at an appropriate co-curricular function: Academic Assembly, College Assembly or Awards Ceremony. Decisions about the awarding of School Colours are not announced in advance of their presentation. Leadership Colours are presented at the College Leaders Investiture Assembly early in Term 4.

Colours will not be awarded until students have had opportunity to reach their highest possible level in that activity in that calendar year.

Students are also presented with a certificate recording the awarding of School Colours.
RECORDS

The Colours Recommendation Committee should keep records of their decisions. In particular:

• Decisions to award Colours should be fully documented; and
• Decisions not to make an award should also be documented (omitting the student’s name, if desired).

These documents should be filed for reference when future nominations for School Colours are considered in that activity. These records are kept to allow future committees to adopt a consistent approach. It follows, therefore, that the file containing these records should not be disposed of.

Each year a list of School Colours awarded should be included in the computerised record of students.

The Assistant Principal (Mission) will provide the Executive Assistant to the Principal with a list of awardees. The Principal’s EA shall arrange for the procurement of the student’s Colours Award.

APPLYING FOR COLOURS AWARDS

Procedure:

• Students obtain an ‘Application for Colours’ form from College intranet or from AP Mission or other relevant staff member
• Completed application forms are signed and endorsed by the relevant TIC or activity convenor
• Completed application forms are then submitted to AP Mission
• Colours Recommendation Committee convenes to process applications
• Recommendations are made to the Principal
• List of successful applicants is produced
• Successful applicants are awarded Colours Award certificate at appropriate formal occasion
• Student hands in their blazer for embroidery (just prior to school holidays where possible)
• Blazer is returned to student at commencement of the new school term

REVIEW

The Colours Awards criteria are due for initial review at the completion of the ISA Summer Sporting season and then again at the completion of the ISA Winter Sporting season. Thereafter, the criteria will be revised annually by the Colours Recommendation Committee in consultation with the Senior Leadership Team.

Honours Colours

As a general rule, students who meet the criteria for half and/or full colours and achieve a state or national level in their chosen sport may be eligible for Honours Colours in sport.

Students must play sport for Oakhill to receive Honours Colours.

It is likely that Honours Colours will be presented to students that meet criteria for Full Colours and have achieved state firsts or national selection in sport competing through Oakhill and ISA competition.

ALL OTHER SPORTS

• Students who represent at NSW All Schools or higher in a sport that does not have a criteria to earn Colours, can apply for Half or Full Colours
• To apply for Colours in a sport not listed, students must have followed the pathway that Oakhill sends our athletes through and have represented at NSW All Schools or higher
• If there is no pathway provided by the College and the student has represented at NSW All Schools or higher, they can also apply for Colours recognition
• Applications for these “pathway” sports are submitted to the Sportsmaster
